

Green Passion.

The best of golf and the best of cruising

The blue waters of the Mediterranean and Persian Gulf. The green grass of the courses. A unique holiday. Cruise&Golf is the exclusive Costa package that combines a cruise with the unforgettable experience of playing on the courses of the most wonderful and prestigious golf clubs in Italy, France, Spain, United Arab Emirates and Oman.

A package **dedicated to enthusiasts** who want to enjoy a unique holiday where relax, culinary experience and the green are all guaranteed by **Costa, Official Cruise Line of the Ryder Cup 2023**. The most important team golf competition in the world will take place for the first time in Italy at the Marco Simone Golf & Country Club in Rome, from September 29th to October 1st, 2023.

Costa Cruises is also **Official Supplier of the Italian Golf Federation**.

The best on board,
on the green and on land.

We've chosen **39 of the best golf courses** in several countries to offer you a unique golfing experience, on a week-long cruise in the Western **Mediterranean** and in the **Emirates** with **Costa Smeralda** and **Costa Toscana**, the two most innovative ships in the fleet.

Golf&Cruise is a unique experience, being offered for the very first time by Costa. Seven days of pure golf where everything is designed to meet your golfing needs: course reservations, **transfers** to and from the golf courses and the option to pre-book **buggies**, and equipment **storage**.

On board Costa Smeralda and Costa Toscana, attractions, relax and fun abound, not to mention the **haute cuisine of three Michelin-starred chefs**, creating an experience that will be just as memorable as the golf.

And when you go **ashore**, there's **a huge range of excursions on offer** to explore the natural and cultural beauty of each destination, ensuring that the players' travel companions don't miss out on all the excitement.

Time to step up **your game.**

Golf, relax, participation, flavours, fun: a day on a Costa cruise is made up of lots of different experiences. From early in the morning to late at night, there's always something exciting to do and new thrills to live.

8.00 a.m.

Rise and shine with breakfast by the sea before tackling the green: you'll be perfectly at peace, relaxed and ready to go.

People disembarking but not playing golf can take a long and exciting tour exploring the destination's culture and nature.

9.00 a.m.

10.00 a.m.

A shining sun, the perfect temperature, 100% visibility, woods, irons and putters at the ready: the game is about to begin!

Swimming pool, jacuzzi, jogging or a sports match: for anyone staying on board it's the perfect time to get moving.

12.00 a.m.

3.00 p.m.

After a tour, a match and lunch, it's time to relax, lying in the sun or enjoying the spa, to clear your mind and regenerate your body.

Back on board after the 18 holes: aperitifs in the aft bar, the perfect place to admire the sunset, however the day went on the green.

6.00 p.m.

8.00 p.m.

Italian and international cuisine, Michelin-starred menus, lots of different options, the perfect wine: a memorable post-match dinner.

Then to the theatre for a show, perhaps a flutter at the casino, rounded off with a dance at the disco... and tomorrow another Golf Club!

10.00 p.m.

A journey full of **flavour.**

No hotel or resort on land will ever be able to offer the **variety of good food and flavours** that a Costa ship can. Dishes designed by **international chefs** and **artisanal items** including gelato and pizza, and traditional Italian mozzarella. **Themed restaurants** like the Japanese Teppanyaki and Sushino at Costa, the Fiorentina Steak House, the Pizzeria Pummid'oro and the Burger Bar. Not to mention the mouthwatering Salty Beach street food. And there's the Bar Ferrari, the Aperol Spritz Bar, the Campari Bar and the Kartell Café, and lots more **ideas for a great aperitif.**

THREE MICHELIN-STARRED CHEFS, ONE UNIQUE RESTAURANT

With its sustainable, innovative design, the **Archipelago Restaurant** features menus created by the award-winning chefs **Bruno Barbieri**, **Hélène Darroze** and **Ángel León**, who offer their own take on the ingredients, traditions and recipes of the destinations the cruise itinerary calls at. A veritable journey within a journey, for a superior kind of taste experience.

The night is full of music, with themed parties and the **disco**, as well as the **casino** and **shopping**.
